

NEW

ScanBand *Satin*

Patient safety meets patient comfort

Do not compromise
between patient
comfort and
safety.

With
ScanBand *Satin*
you can have it all.

INCREDIBLE SOFTNESS

Our wristbands are made from satin-like material which is soft and gentle, even to the most sensitive skin. It remains comfortable to wear throughout the entire hospital stay.

BEST IMPRINT QUALITY

The print will always be dark and sharp, and won't fade over time.

IDENTIFIERS ARE ALWAYS READABLE

Identifiers such as barcodes are always readable and can be easily scanned, thanks to our high-quality raw material that guarantees limited wrinkling over time.

NON-TRANSFERABLE

Our wristbands are made from premium quality raw material that prevents the band from stretching.

STRONG ADHESIVE CLOSURE

Our closure remains strong and secure under the toughest conditions for the entire duration of the hospital stay.

NEW ScanBand *Satin*

- Satin-Like Material is super soft and comfortable to the most sensitive skin
- Combines ultra comfort with high performance and safety
- Withstands even the harshest hospital environments
- Anti-wrinkle material makes it easy to read barcodes and other identifiers
- Durable non-transferable adhesive closure
- High-quality dark & sharp print that doesn't fade
- Easy to print and apply to patients in seconds
- Water-resistant and tamper-evident
